Date 17 November 1975

TO : CIA Task Force
FROM : The Review Staff, [REDACTED]
SUBJECT : SSC/HSC Request
RECEIVED: Date _____ Time _____

With the receipt of the SSC staff paper on "Covert Action in Chile, 1963-1973", we believe we see the beginning of a new phase in our dealings with the SSC.

There may well be a flurry of last-minute document requests, but we shall almost certainly be faced with urgent requests to comment on a large number of SSC drafts.

Bill Miller estimates 15-20 (7 on covert action alone). The Review Staff estimate is much higher.
